STRETCHING out for 80 miles along the crest of Virginia's Blue Ridge Mountains, Shenandoah National Park is a 300-square-mile wilderness of forested peaks, wildflowers and sparkling streams and waterfalls.
The winding 105-mile Skyline Drive, traversing mountain crests, offers panoramic views of the magnificent scenery from 66 overlooks along the route. Wildflowers bloom from mid-April to late summer, and dogwood, azaleas and trillium brighten the woods in May. Mountain laurel splashes the slopes with color in May and June in October the woodland foliage bursts into a riot of red, brown and russet.
There are eight picnic areas and five improved camping and trailer areas. The daily camping fee is $2 per site.
Trout fishing is permitted April to mid-October. (license required). Riding stables are at Skyland and Big Meadows ($4.00 first hour, $2.50 each added hour). There are 400 miles of hiking trails. Park Ranger-Naturalists conduct hikes daily in summer.
The park is open all year but Skyline Drive may be closed during inclement winter weather. A single entry fee of $2 per auto is charged to enter. For information write Shenandoah National Park, Luray, Virginia 22835. For lodging and restaurant information write ARA Virginia Sky-Line Co., Inc., P. O. Box 727, Luray, Virginia 22835.

COLONIAL WILLIAMSBURG

An authentic glimpse of life in Colonial America is provided by a visit to historic Colonial Williamsburg, Virginia's capital from 1699 to 1780.

Visitors should first go to the Information Center to see the orientation film, "Williamsburg — The Story of a Patriot." General admission tickets, adults $5, children $3, good for one day, may be purchased here for exhibition homes, shops and public buildings, use of bus service and special events. Three-day and one-week tickets also are available. Admission to the Governor's Palace is an additional $2, children $1. Separate tickets to other exhibition buildings are not available.

The Abby Aldrich Rockefeller Folk Art Collection is free. Also of interest and free are the Courthouse of 1770, Bruton Parish Church (1715) and the Wren Building (1695).

Streets in the Historic Area are closed to cars until 6 p.m. daily, and to 9 p.m. in summer.

TIGER TIPS

to help you save gasoline

Let's make every mile count

1. Avoid High Speeds. Slower speeds usually yield more miles per gallon.

2. Get Regular Tune-Ups. A properly tuned engine not only makes your car more enjoyable to drive but can also result in significant gasoline savings.

3. Replace Filters. Check pollution-control devices regularly. A dirty carburetor air filter alone can cost you as much as 80 gallons of gasoline a year.

4. Plan Your Trips. Refer to your EXXON road map regularly to plan all of your necessary car travel. Direct routes save time and gasoline.

5. Car Pool. A good way to save gasoline and reduce operating costs.

6. Discover Attractions Close to Home. Leisure time and vacation trips need not involve extensive driving. Consider nearby points of interest and recreation areas, many of which are located on this map.

And a Tip on Accommodations:

Your EXXON credit card can be used to charge your lodging, meals and related services while a registered guest at

Marriott · RAMADA INN · HOWARD JOHNSON'S motor lodges · Best Western

Your charges will be included with your regular monthly EXXON credit card statement.
